OUR SOLUTIONS FOR GOVERNMENTS

IMMI can work with government entities of all sizes to lower electricity Costs and reduce exposure to energy price volatility - all without having to reallocate capital or worry about operations and maintenance.

IMMI International Marketing Management, Inc., A WOSB Company in SBA, and also Certified MBE by NEMSDC and certified as MBE/WBE by the State of Massachusetts

IMMI

Energy Procurement

Terms and Conditions You Need to Know

1. Auto- Renew and Holdover Rate
2. Billing and Payments
3. Termination fees
4. Bandwidth

We frequently see supplier price differences exceed \$0.0005/kWh, and often by as much as \$.0015

Supplier Competitiveness is a result of multiple factors, including their position (which Change daily) business models, and short term incentives for their sales teams. We continually evaluate each supplier, their prices and contract language.

There are a number of items to consider when evaluating an energy supply management partner: Market knowledge, Industry expertise, technology, service as well as price.
